# Student Viewing Guide Landback Movement

Directions: Prior to watching the “Landback Movement” video please review the worksheet and complete the “Before Video: Anticipatory Set.” As you are watching the video collect evidence under the appropriate sections on the backside of this worksheet.

## Essential Question

In what ways does the Landback Movement challenge the way we view our relationship to land?

## Before Video: Anticipatory Set

Are you familiar with the Landback Movement? If so, what do you know? If not, what do you think the Landback Movement’s mission is, what might they want to do or change?

---

---

---

## During Video: Evidence Collection

As you watch the video, collect specific evidence that will help you answer the essential question. Please collect evidence on the backside of this page and under the correct headings.

# EVIDENCE COLLECTION

Shows the historical and current reasons  
for the Landback Movement

Demonstrates how Indigenous people view  
their relationship to the land

Demonstrates how colonizers/white  
settlers view their relationship to the  
land
